Re: Public Meetings for Public Housing  
Agencies

Dear Mr. D'Ancona:

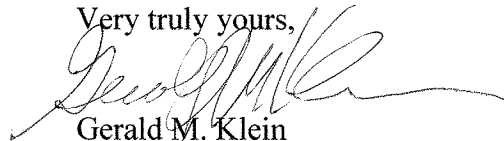

I take this opportunity to advise you that I am counsel for Peekskill Housing Authority. In this connection, I have received HUD's March 30<sup>th</sup>'s edition of frequently asked questions for public housing agencies.

In the foregoing FAQs there is reference to additional guidance to be forthcoming regarding public meetings. We are not aware of any additional guidance published by HUD and are attempting to comply with both HUD guidelines and New York State law and regulations.

In this connection, we respectfully request that any guidance HUD can offer with regard to public meetings be provided to us on or before May 22, 2020 so that we can efficiently plan and schedule the same for our agency.

Thank you for your anticipated response accordingly.

Very truly yours,

Gerald M. Klein
