

TO: RESIDENTS OF PEEKSKILL HOUSING AUTHORITY (PHA)

FROM: MANAGEMENT

DATE: DECEMBER 9, 2020

SUBJECT: EVICTION MORATORIUM

Dear Tenant:

The rent eviction moratorium scheduled to end on December 31, 2020 has not been extended. Therefore, you are still responsible to pay all outstanding rent.

This notice is to remind you that Peekskill Housing Authority (PHA) can offer you the opportunity to discuss repayment terms if you are:

- behind on your rent
- behind on an existing PHA repayment agreement
- unable to pay your rent due to hardship
- had a decrease in your household income that has not been reported

If you need assistance with paying your outstanding rent, please contact the Department of Social Services, Peekskill District Office in person at 750 Washington Street and complete an application.

For assistance you may also call:

- The Bridge Fund of Westchester (914) 949-8146
- Peekskill Preservation Center (914) 734-8928
- Westchester Community Opportunity Program, Inc. (WestCOP) (914) 739-1454
- Peekskill Community Action Partnership (PCAP) (914) 739-1454

If PHA can assist you in any way, please contact Ms. Beard, Tenant Relations Assistant at (914) 739-1700. This is NOT an attempt to terminate your lease or evict, but an offer by PHA to ensure that you stay housed as you repay your balance.

This does not change any prior lease termination notices or court proceedings you may already have with the PHA.

Thank you for your anticipated immediate attention.
