As we continue to implement precautionary measures to minimize the spread of the coronavirus while continuing to support our clients, this month's Board Meeting will be conducted via zoom. Since this is a new format for us, we would like to lay out some ground rules to help things run smoothly.

- 1) All participants other than the board members and staff members will be muted at the beginning of the meeting.
- 2) When you dial in to the call, be sure to record your name or we won't be able to call you when it comes time for comments from the public.
- 3) When comments from the public are requested, you should click on the Q & A at the bottom of your screen and type in your comment.
- 4) When comments from the public are requested, individuals will be given two minutes to speak.
- 5) If the Board Meeting goes into a closed session, all callers other than the participants in the closed session will be disconnected.

As required by law, this meeting will be recorded.
