Update: COVID-19 Mask Mandate

As per the New York State mandate, as of Monday December 13,2021, masks are required in all public spaces **regardless of vaccine status**.

Due to the increasing number of COVID-19 cases and hospitalizations statewide, and in alignment with CDC recommendations for communities with substantial and high transmission, all persons, over age two and able to medically tolerate a face covering/mask, regardless of vaccination status, shall wear an appropriate face covering/mask while in any indoor public place.

Public spaces would include any indoor space that is not a private residence such as:

Hallways
Laundry Room
Community Room
Vestibules
Elevators

This requirement shall be in effect until January 15, 2022
