

PEEKSKILL HOUSING AUTHORITY

ROSS PROGRAM

My name is Kim McIver. I am the ROSS Service Coordinator at PHA. The ROSS Program aims to work with residents towards increasing self-sufficiency and ensuring that seniors can age in place safely. I am interested in hearing from you!

What kinds of programs and/or assistance can help you achieve your personal, professional, and educational goals?

No matter how big or how small, the ROSS program can assist you by linking you to services right here in your own community!

I have compiled a strong network of services from utility assistant to home ownership programs and everything in between.

Please reach out to me via phone, text or email any day, anytime. All information will be kept confidential. Enrollment in the ROSS Program begins **September 1st 2022**.

I look forward to hearing from you all!

Higher paying job assistance

Healthcare needs

Training Programs

And More!
